

Petrophysical Solutions, Inc. (PSI) is pleased to announce that it has compiled a data set in TX State waters for CCUS screening.

Data for key wells includes:

- **Petrophysical Analysis**
- **Top of over-pressure**
- **Salinity**
- **Pore Pressure**
- **CO2 properties**
- **Mud weights and Temperature from well headers**
- **Attributes also summarized and cataloged in TIBCO Spotfire®**
- **Rock Physics products available upon request**
